

Dear Parents,

We have put together the following activities for the middle school and are asking you to pre-pay for these, so we can pay ahead and get cost breaks for some of the events and food. This will reduce the overall amount of cash that you need to send with your kids from what was originally suggested. If you pre-pay, your kids will only need to cover Thursday and Saturday dinners, and perhaps have a little extra for unexpected events.

We would like for all of the middle school children to participate in the following activities. If there are any concerns or reasons why your child cannot participate, please let Terrie know as soon as possible so that we can make other arrangements. Please have payment to Terrie by **FRIDAY, Feb 15th** (by check delivered to orchestra room), as we need to pay for these activities in advance. We realize that this is very short notice. Thank you for your understanding!

	DINNER	Child Price
WEDNESDAY	Pizza dinner & Fun Center	\$22.00
